Declaration

I, the undersigned, _____ je am the owner/authorized agent of the owner/agent named in the above application and certify the truthfulness of all statements or representations contained therein. Where the application proposes to construct a driveway itself or to have the work carried out by a qualified contractor, the following special provisions shall apply: (1) the applicant <<shall release the Municipality from any liability>> and shall thereby assume all risks and liabilities when obtaining the permit. (2) The applicant is responsible for any damage caused to person or property by the work and shall maintain appropriate liability insurance and property damage insurance. (3) The applicant shall at all times carry out the work in a manner that creates a minimum of interference with normal road traffic. They are required to use appropriate precautions, such as barricades, lights and flaggers, to protect the travelling public. The applicant must take precautions at all times to protect pedestrians. The applicant is required to complete the entry within EIGHT (8) months of the date of the permit. I understand that the issuance of a permit shall not be deemed to be a waiver of any provision of any by-law or regulation, notwithstanding anything included or omitted in any plans or other documents filed in support of or in connection with the above application. I further acknowledge that, in the event that the permit is revoked for any reason, in the event of any irregularity or non-compliance with the by-laws, there shall be no right of claim of any kind whatsoever against the municipal corporation or any of its officers and any such claim is hereby expressly waived. I further recognize that the cost of entry is the responsibility of the applicant.

I have carefully read the terms, specifications and regulations relating to this application.
