Capacity to be taken (average daily m3) : _____

I/we will accept responsibility for damage caused on any flusher hydrant as a result of neglect on the part of any person in my/our employ.

I/we understand that the water taken from the flusher hydrants with this permit is considered to be non-potable and will not provide this water to or for any person/company for potable purposes.

I/We understand that usage of flusher hydrants must be reported within 24 hours and further acknowledge that this permit authorizes the use of flusher hydrants only.

I/We will notify the Public Works and Physical Services Department of any changes/adjustments.

I/We agree to pay a fee of \$250.00 for this application, and the municipality current rate for the quantity of water used (for more than a one time use permit, a deposit of \$2000.00 will be required). Fees and deposit will be waived for work done for the municipality.

I/we understand that this constitutes a legal signature confirming that I acknowledge and agree to the above terms.
